Disclaimer

'Niavara' is the new name given to the project originally conceptualised with the name '7 Convent'. Both are one and the same. Niavara is developed by Avikam Buildcon LLP (Maps shown are not to scale). The specifications may be subject to minor modifications and shall be covered in the agreement with allottees. Images and visuals are graphic artwork created by designers and the final product may vary from the same. The brochure is for representation purpose only and does not constitute part of any legal offer/contract. The interior design and furnishing shown in the brochure are not provided with the apartments. There could be change in height in the building and addition/allocation of areas in the project for which the developer shall take separate consent from the buyers as required by law. The intimation of any amendment to the contents of this brochure shall be deemed to have been made in the allotment documents and/or the agreement in favour of the buyer/s and the buyer/s is advised to use discretion before making application and before entering upon agreement to make itself aware of the same. The buyer/s must verify all the details and specifications, including but not limited to the area, amenities, specifications, services, terms of sales, payments and all other relevant terms independently and should make their own enquiries and where applicable obtain appropriate professional advice as to their particular circumstances prior to concluding any decision for buying any unit. All purchases shall be subject to the terms of the agreement with the allottee and in case of any inconsistency or contradiction between the brochure and agreement, the agreement shall prevail. The promoter or its agents shall not be liable to the buyer/s for any or any claims due to any inconsistency between the brochure and contractual documents.

The architect's initial sketch of Niavara.

international aesthetics iconic structures

CLASSIC DESIGN CONTEMPORARY STYLING

An ecosystem of dynamic spaces designed by the world famous international architect Ricardo Bofill.

Fluidity, symmetry and the unexpected define the creative magic of the architect who has created and inspired many landmarks, styled by postmodern aesthetics. He believes, "Architecture is the victory of man over the irrational." Niavara is inspired by this vision.
